10 Plaintiff,

11 v.

12 PACIFIC MARITIME ASSOCIATION, a  
13 California non-profit corporation, *et al.*,

14 Defendants.

CASE NO. C17-911 RSM

ORDER STRIKING ANSWER AND  
GRANTING LEAVE TO FILE

15 This matter comes before the Court on Defendant Faron Fletcher's Motion for Leave to  
16 File Answer. Dkt. #45. On September 8, 2017, the Court issued a Minute Order noting the history  
17 of Defendant Fletcher's filings in this case, directing that "Mr. Fletcher is not permitted to submit  
18 filings in this matter without first seeking leave of the Court," and stating that "[u]ntil the Court  
19 rules on the Motion for Leave, Mr. Fletcher is not permitted to file." Dkt. #44. On September  
20 15, 2017, Mr. Fletcher filed the instant Motion for Leave. Prior to the Court's ruling, Mr. Fletcher  
21 went ahead and filed his purported Answer. Dkt. #49.

22 Local Rule 10 states:

23 *Dates and Signature Lines.* All pleadings, motions and other filings  
shall be dated and signed as provided by Federal Rule of Civil  
Procedure 11, LCR 11, and the court's Electronic Filing Procedures.

ORDER STRIKING ANSWER AND GRANTING  
LEAVE TO FILE - 1

1 The court might not consider improperly signed or unsigned  
2 documents.

3 LCR 10(e)(4).

4 Mr. Fletcher's Answer, Dkt #49, is unsigned and undated. This violates Local Rules 10  
5 and 11, as well as Federal Rule of Civil Procedure 11. Additionally, it was filed without leave of  
6 the Court. For both of these reasons, it will be stricken.

7 On the other hand, Mr. Fletcher's earlier filed Motion for Leave adequately adheres to the  
8 Court's Minute Order above and sets forth a valid basis for Mr. Fletcher to file his answer. *See*  
9 Dkt. #45. The Court notes with concern that Mr. Fletcher continues to include irrelevant personal  
10 health information in his Motion, and that Mr. Fletcher attaches irrelevant healthcare forms. *See*  
11 Dkts. #45, #45-1, and #45-2. Nevertheless, the Court will grant Mr. Fletcher leave to file a new  
12 answer. The Court reminds Mr. Fletcher that his answer must respond to the most recent amended  
13 complaint, be signed and dated and otherwise in accordance with the Court's Local Rules.

14 Having reviewed the relevant briefing, the declarations and exhibits attached thereto, and  
15 the remainder of the record, the Court hereby finds and ORDERS that:

16 (1) Defendant Fletcher's Answer (Dkt. #49) is STRICKEN.

17 (2) Defendant Fletcher's Motion for Leave to file Answer (Dkt. #45) is GRANTED. Mr.

18 Fletcher is granted leave to file an answer responding to the most recent amended  
19 complaint in this case.

20 DATED this 27<sup>th</sup> day of September 2017.
